RE: SACCO LEADERS SENSITIZATION WORKSHOP ON 17TH AUGUST, 2010

Our circular dated 15th July, 2010 refers.

We have scheduled a sensitization workshop for Sacco leaders on 17th August 2010 at KUSCCO Centre starting 8.30 a.m. to 12.30p.m. The key agenda for this meeting will include but not limited to:

1. Role/Mandate of SASRA;
2. Sacco Societies Regulations implementation programme;
3. Licensing process;
4. Key issues on Regulations;
5. Plenary session for questions and matters of concern.

Given this agenda and the need to have a very productive and interactive workshop, we are limiting the number of participants from each SACCO to two, preferably the Chief Executive Officer/General Manager and the Chairman or his/her representative.

You are encouraged to visit our website www.sasra.go.ke and download materials on licensing, capital adequacy, investments, frequently asked questions and the answers put together by the Authority for your information and reference.

The workshop will also be an opportunity for you to share the challenges you are experiencing as you prepare to file your license applications with us.

CARILUS ADEMBA, HSC
CHIEF EXECUTIVE OFFICER
